(PHASE 5B, COMMON AREA 34, AND R/W)**

This Supplemental Declaration of Covenants, Conditions and Restrictions for Wendell Falls ("**Supplement**") is made by NASH Wendell Falls, LLC, a Delaware limited liability company (the "**Declarant**").

**Background Statement**

The Declarant is the developer of the planned community located in Wake County, North Carolina known as Wendell Falls. The Declarant executed and filed that certain Declaration of Covenants, Conditions, and Restrictions for Wendell Falls recorded on November 10, 2014 in Deed Book 15834, Page 1690, *et seq.*, in the Office of the Register of Deeds of Wake County, North Carolina, which has been amended by that instrument recorded November 29, 2016 at Book 16618, Page 1624, *et seq.* (as it may be amended and supplemented, the "**Declaration**").

Pursuant to Sections 9.1 and 9.3 of the Declaration, the Declarant reserved the right to expand the Wendell Falls residential community by recording one or more Supplemental Declarations submitting to the terms of the Declaration all or any portion of the property described on Exhibit "B" of the Declaration ("**Expansion Property**") and/or to impose on such property additional covenants and easements, with the consent of the owner of such property (if not the Declarant).

The property described on Exhibit "A" to this Supplement (the "**Additional Property**") is a portion of the Expansion Property described on Exhibit "B" to the Declaration.

As the owner of the Additional Property, the Declarant desires to submit the Additional Property to the terms of the Declaration and this Supplement.

NOW, THEREFORE, the Declarant hereby submits the real property described on Exhibit "A" of this Supplement to the provisions of the Declaration and this Supplement, which shall hereafter encumber the title to such property and shall be binding upon all persons having any right, title, or any interest in such property, their respective heirs, legal representatives, successors, successors-in-title, and assigns. The provisions of this Supplement shall also be binding upon Wendell Falls Community Association, Inc., a North Carolina nonprofit corporation (the "**Association**"), in accordance with the terms of the Declaration.

#### **ARTICLE I** **Definitions**

The definitions set forth in Article II of the Declaration are incorporated by reference in this Supplement.

#### **ARTICLE II** **Designation of Service Areas**

Pursuant to Section 7.3 of the Declaration, all or portions of the Additional Property have been assigned to the Service Area(s), if any, described on Exhibit "A" to this Supplement.

#### **ARTICLE III** **Additional Covenants, Restrictions and Easements**

The additional covenants, restrictions and easements, if any, set forth in Exhibit "B" of this Supplement shall apply to the Additional Property and shall be binding upon the owners and occupants of Units within the Additional Property, their guests and invitees, in addition to the terms of the Declaration, except to the extent that applicability is limited by the express terms of Exhibit "B" to Units within any Service Area identified on Exhibit "A".

**ARTICLE IV**  
**Amendment**

4.1 By the Declarant.

Until termination of the Class "B" Control Period, the Declarant may unilaterally amend this Supplement for any purpose. Thereafter, until termination of the Development and Sale Period, the Declarant may unilaterally amend this Supplement to reflect any revisions or amendments to any plats referenced on Exhibit "A," and, provided the amendment has no material adverse effect upon any right of any Owner without such Owner's consent in writing, for any other purpose.

Notwithstanding this reserved right, a revision or amendment to a plat shall not require an amendment to this Supplement so long as no property is added or excluded from the plat by the revision or amendment thereto. The Declarant reserves the right to record revised, amended, or additional plats that only affect internal boundaries between lots, combine lots, or subdivide lots shown on the original plat and, so long as they do not alter the overall property submitted to the Declaration by this Supplement, such revised, amended or additional plats shall not necessitate an amendment to this Supplement.

4.2. By Owners.

Except as otherwise specifically provided in this Article IV, any amendment to the provisions set forth on Exhibit "B" of this Supplement shall require the affirmative vote or written consent, or any combination thereof, of Owners of at least 67% of the Units within the Service Area to which such provisions apply, and the written consent of the Association, acting through its board of directors. Any other amendment to this Supplement may be amended only by the affirmative vote or written consent, or any combination thereof, of Owners of at least 67% of the Units within the Additional Property and the written consent of the Association, acting through its board of directors. In addition, so long as the Declarant owns any Unit within the Additional Property, the consent of the Declarant shall be required to amend this Supplement in any manner.

4.3. Validity and Effective Date.

No amendment may remove, revoke, or modify any right or privilege of the Declarant or without the written consent of the Declarant (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Supplement, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording, unless a later effective date is specified in the amendment. No action to challenge the validity of an amendment may be brought more than two years after its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of this Supplement.

In witness of the foregoing, the Declarant has executed this Supplemental Declaration on the 7 day of November, 2017.

(b) Each Owner of a Unit burdened by any portion of a private drainage easement shall be responsible for installing and maintaining landscaping within that portion of the easement which burdens such Owner's Unit, shall keep such portion free and clear of obstructions that interfere with the flow of stormwater through such easement, and, subject to such approval as required under Article IV of the Declaration, shall be responsible for taking such steps as the Owner may deem necessary to control erosion on its Unit and protect such Owner's personal property and improvements from damage due to stormwater flows resulting from storm events.

(c) Each Owner, by acceptance of a deed to a Unit, acknowledges that severe weather events may occur from time to time which cause stormwater flows to exceed the capacity of the private drainage easements and any facilities and improvements therein. Neither the Declarant nor the Association shall have any liability for any damage to personal property or improvements on any Unit resulting from such weather events resulting in stormwater flows that exceed the capacity of the stormwater facilities within any private drainage easement.

**2. Association Maintenance within Service Area No. 3.**

(a) Maintenance Responsibilities. Pursuant to Sections 7.3(a) and 8.2(c) of the Declaration, the Association shall be responsible for performing, or causing to be performed, on behalf of the Owners of Units within Service Area No. 3 identified on Exhibit "A" to this Supplement (hereafter, the "**Service Area**"), the following services on Units within such Service Area and, to the extent that the Owners of such Units would otherwise be responsible for such maintenance pursuant to Section 5.1 of the Declaration, on property adjacent to the Units:

(i) mowing and fertilizing of lawns (including both front and rear yards of the Units), and application of weed control and fertilizer to such lawns on such schedule as the Board deems appropriate to maintain turf in a healthy condition;

(ii) weeding and mulching of planting beds;

(iii) edging of curbs, walks, and planting beds;

(continued)

(iv) removal of fallen leaves from lawns, planting beds, and sidewalks at least twice per year;

(v) such other maintenance of landscaping and hardscaping on Units as the Board may determine appropriate and able to be funded under the Service Area budget adopted from time to time in accordance with the Declaration.

Notwithstanding subsection (a) above, each Owner shall be responsible for any landscaping and improvements installed by the Owners or occupants of any Unit after issuance of a certificate of occupancy for the dwelling on the Unit, including any irrigation system installed on the Unit. Each Owner shall also be responsible for all maintenance of the Unit other than that maintenance which the Association is to provide pursuant to this Section 2(a). If an Owner undertakes to perform maintenance which would otherwise be performed by the Association under this Section, there shall be no reduction or abatement in the Service Area Assessments due on such Unit hereunder by reason of the Owner providing such maintenance. All maintenance on Units shall be performed in a manner and on a schedule consistent with the Community-Wide Standard.

(b) Commencement of Association's Maintenance Responsibilities. All maintenance on a Unit within Service Area No. 3 shall be the responsibility of the Builder or Owner until such time as the Association's responsibilities commence hereunder. The Association's responsibilities under Section 2 shall commence as to each Unit within the Service Area upon satisfaction of the following requirements:

(i) completion of construction of a dwelling and all related improvements on the Unit in accordance with the plans approved pursuant to Article IV of the Declaration (the "**Approved Plans**"); and

(ii) issuance of a certificate of occupancy for such dwelling and related improvements from the Town of Wendell, North Carolina; and

(iii) completion of installation of landscaping on the Unit in accordance with the Approved Plans, as verified by a post-construction compliance inspection conducted by the Declarant's or the Association's designee;

provided, nothing herein shall relieve the Builder of responsibility for removing and replacing any landscaping installed on a Unit by the Builder or its subcontractors which dies within one year after the date of the Builder's conveyance to a homeowner, to the extent required under any contract or warranty relating to the Unit.

**EXHIBIT "B"****Additional Covenants, Restrictions, and Easements**

(continued)

(c) Service Area Expenses. The estimated expenses to be incurred by the Association for providing services to the Units within Service Area No. 3 pursuant to Section 2 of this Exhibit "B," including any reasonable reserve established pursuant to Section 8.2(c) of the Declaration for repairs and replacements, and a reasonable administrative charge, shall be allocated equally among all Units within the Service Area upon which landscaping has been installed, except that if any maintenance or repair to be performed by the Association hereunder is necessitated by the negligence or willful misconduct of any Owner or occupant of a Unit, or their respective contractors, guests, or invitees, the Association may assess the cost of such maintenance or repair solely against such Unit and the Owner thereof as a Specific Assessment.

Notwithstanding any later commencement date specified in the Declaration, the Owner of each Unit, including any Builder which owns a Unit, shall pay such Service Area Assessments from the date the Association commences maintenance on such Unit under Section 3 above.

(d) Easement for Maintenance. The Association shall have a perpetual, non-exclusive easement over the Units in Service Area No. 3 for the purpose of performing its maintenance responsibilities hereunder and under the Declaration, which easement may be exercised by the Association, its officers, directors, employees, agents and contractors, and entry upon any Unit for such purpose shall not be deemed a trespass. Each Owner shall clear yards and sidewalks on such Owner's Unit and adjacent rights-of-way of personal property (e.g., chairs, tables, garbage cans, hoses, toys, sports and play equipment, etc.) and obstructions, remove pets, provide gates with at least 48" of clearance to access any fenced area or courtyard, and leave such gates unlocked to permit unfettered access to fenced areas and courtyards, in order to enable maintenance personnel to perform the services to be provided by the Association hereunder. An Owner's failure to comply with this section shall relieve the Association of its responsibility hereunder with respect to such Owner's Unit to the extent that the Association or maintenance personnel determine that such noncompliance interferes with their ability to provide the required services, in which case the Owner shall perform such maintenance and repairs, at such Owner's expense, in a timely manner and in accordance with the Community-Wide Standard, without deduction from or offset against Service Area Assessments due hereunder.
