FOR  
WENDELL FALLS  
(SF-13, PHASE A)**

This Supplemental Declaration of Covenants, Conditions and Restrictions for Wendell Falls ("**Supplement**") is made by NASH Wendell Falls, LLC, a Delaware limited liability company (the "**Declarant**").

**Background Statement**

The Declarant is the developer of the planned community located in Wake County, North Carolina known as Wendell Falls. The Declarant executed and filed that certain Declaration of Covenants, Conditions, and Restrictions for Wendell Falls recorded on November 10, 2014 in Deed Book 15834, Page 1690, *et seq.*, in the Office of the Register of Deeds of Wake County, North Carolina (as it may be amended and supplemented, the "**Declaration**").

Pursuant to Sections 9.1 and 9.3 of the Declaration, the Declarant reserved the right to expand the Wendell Falls residential community by recording one or more Supplemental Declarations submitting to the terms of the Declaration all or any portion of the property described on Exhibit "B" of the Declaration ("**Expansion Property**") and/or to impose on such property additional covenants and easements, with the consent of the owner of such property (if not the Declarant).

The property described on Exhibit "A" to this Supplement (the "**Additional Property**") is a portion of the Expansion Property described on Exhibit "B" to the Declaration.

As the owner of the Additional Property, the Declarant desires to submit the Additional Property to the terms of the Declaration and this Supplement.

NOW, THEREFORE, the Declarant hereby submits the real property described on Exhibit "A" of this Supplement to the provisions of the Declaration and this Supplement, which shall hereafter encumber the title to such property and shall be binding upon all persons having any right, title, or any interest in such property, their respective heirs, legal representatives, successors, successors-in-title, and assigns. The provisions of this Supplement shall also be binding upon Wendell Falls Community Association, Inc., a North Carolina nonprofit corporation (the "**Association**"), in accordance with the terms of the Declaration.

#### **ARTICLE I** **Definitions**

The definitions set forth in Article II of the Declaration are incorporated by reference in this Supplement.

#### **ARTICLE II** **Designation of Service Areas**

Pursuant to Section 7.3 of the Declaration, all or portions of the Additional Property have been assigned to the Service Area(s), if any, described on Exhibit "A" to this Supplement.

#### **ARTICLE III** **Additional Covenants, Restrictions and Easements**

The additional covenants, restrictions and easements, if any, set forth in Exhibit "B" of this Supplement shall apply to the Additional Property and shall be binding upon the owners and occupants of Units within the Additional Property, their guests and invitees, in addition to the terms of the Declaration, except to the extent that applicability is limited by the express terms of Exhibit "B" to Units within any Service Area identified on Exhibit "A".

**ARTICLE IV**  
**Amendment**

4.1 By the Declarant.

Until termination of the Class "B" Control Period, the Declarant may unilaterally amend this Supplement for any purpose. Thereafter, until termination of the Development and Sale Period, the Declarant may unilaterally amend this Supplement to reflect any revisions or amendments to any plats referenced on Exhibit "A," and, provided the amendment has no material adverse effect upon any right of any Owner without such Owner's consent in writing, for any other purpose.

Notwithstanding this reserved right, a revision or amendment to a plat shall not require an amendment to this Supplement so long as no property is added or excluded from the plat by the revision or amendment thereto. The Declarant reserves the right to record revised, amended, or additional plats that only affect internal boundaries between lots, combine lots, or subdivide lots shown on the original plat and, so long as they do not alter the overall property submitted to the Declaration by this Supplement, such revised, amended or additional plats shall not necessitate an amendment to this Supplement.

4.2. By Owners.

Except as otherwise specifically provided in this Article IV, any amendment to the provisions set forth on Exhibit "B" of this Supplement shall require the affirmative vote or written consent, or any combination thereof, of Owners of at least 67% of the Units within the Service Area to which such provisions apply, and the written consent of the Association, acting through its board of directors. Any other amendment to this Supplement may be amended only by the affirmative vote or written consent, or any combination thereof, of Owners of at least 67% of the Units within the Additional Property and the written consent of the Association, acting through its board of directors. In addition, so long as the Declarant owns any Unit within the Additional Property, the consent of the Declarant shall be required to amend this Supplement in any manner.

4.3. Validity and Effective Date.

No amendment may remove, revoke, or modify any right or privilege of the Declarant or without the written consent of the Declarant (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Supplement, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording, unless a later effective date is specified in the amendment. No action to challenge the validity of an amendment may be brought more than two years after its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of this Supplement.

In witness of the foregoing, the Declarant has executed this Supplemental Declaration on the 28 day of July, 2016.

**EXHIBIT "A"**

**Additional Property**

ALL THAT TRACT OR PARCEL OF LAND lying and being in Wake County, North Carolina, and being more particularly described on that certain Final Subdivision, Easement and Right-of-Way Dedication Plat of Wendell Falls Development SF13 - Phase A recorded on July 19, 2016, in Book of Maps 2016, Page 1070-1073, in the office of the Register of Deeds of Wake County, North Carolina, as such plat may be revised from time to time (the "**Phase 13A Plat**").

**EXHIBIT "B"****Additional Covenants, Restrictions, and Easements****1. Private Drainage Easements.**

(a) The Declarant hereby reserves, establishes and grants a perpetual, nonexclusive easement over each Unit shown on the Phase 13A Plat (as described in Exhibit "A") on which any portion of a private drainage easement is depicted, for the benefit of each other Unit on which any portion of such private drainage easement is depicted, for the natural flow of stormwater over and through such private drainage easement.

(b) Each Owner of a Unit burdened by any portion of a private drainage easement shall be responsible for installing and maintaining landscaping within that portion of the easement which burdens such Owner's Unit, shall keep such portion free and clear of obstructions that interfere with the flow of stormwater through such easement, and, subject to such approval as required under Article IV of the Declaration, shall be responsible for taking such steps as the Owner may deem necessary to control erosion on its Unit and protect such Owner's personal property and improvements from damage due to stormwater flows resulting from storm events.

(c) Each Owner, by acceptance of a deed to a Unit, acknowledges that severe weather events may occur from time to time which cause stormwater flows to exceed the capacity of the private drainage easements and any facilities and improvements therein. Neither the Declarant nor the Association shall have any liability for any damage to personal property or improvements on any Unit resulting from such weather events resulting in stormwater flows that exceed the capacity of the stormwater facilities within any private drainage easement.

**2. Retaining Wall Easement.**

(a) The Declarant hereby reserves for itself, its successors, assigns, and designees, and establishes and grants to the Association, a perpetual, nonexclusive easement 10 feet in width along the rear lot lines of Lots 446-450 as shown on the Phase 13A Plat (as referenced in Exhibit "A") for purposes of access, construction, inspection, maintenance, repair, replacement, and support of a retaining wall located or to be located on Common Area #25 identified on the Phase 13A Plat. The easement rights granted to the Association hereunder may be exercised by its officers, directors, employees, agents, and contractors. The Association shall be responsible for maintaining such retaining wall as part of the Area of Common Responsibility and all costs which it incurs in so doing, including any reasonable reserve for repair and replacement thereof, shall be a Common Expense, as defined in the Declaration.

(b) Notwithstanding the grant of such easement to the Association, the Owner of each Lot subject to the retaining wall easement under this Section 2 shall be responsible for maintaining any trees within the easement area and for installing and maintaining any landscaping approved pursuant to the Declaration within the easement area; provided, if the easement area is damaged as a result of the exercise of the easement granted under subsection

(a), the party exercising the easement shall promptly restore the area to the extent reasonably possible to the condition in which it existed prior to such damage.

3. **Slope Easement**. The Declarant hereby reserves for itself, its successors, assigns, and designees, a perpetual, non-exclusive easement 10 feet in width along the western boundary of Lot 386 in the area shown as a "10' Slope Easement" on the Phase 13A Plat, for construction and maintenance of a slope and such structures, if any, as the Declarant may deem necessary to provide support for the roadway identified on the Phase 13A Plat as Mill Station Lane. Notwithstanding such easement, the Owner of Lot 386 shall be responsible for installing and maintaining landscaping within the 10' Slope Easement area in accordance with the Owner's maintenance responsibilities under Section 5.1 of the Declaration, whether such easement area is located inside or outside of any fence or yard area on the Unit. In the event that the Owner fails to do so, the Association shall have a right to enter upon the Unit and perform such maintenance and assess all costs incurred to the Owner of such Unit as a Specific Assessment. The Owner of Lot 386 shall not engage in, and shall take reasonable action to prevent other occupants of Lot 386 or their guests or invitees from engaging in, any activity which tends to damage the 10' Slope Easement or undermine its effectiveness in providing support to the adjacent roadway.
