WELCOME HOME

Dear New Homeowner,

Welcome to Wendell Falls Community Association! FirstService Residential is proud to manage your community.

Enclosed in this welcome packet you can find resources to help you get acclimated to the neighborhood, access amenities, make payments, and instructions on how to submit alteration requests for your home. Please be sure to fill out the contact information sheet and return it to our HOA office so that we have your most recent information in our systems.

Please feel free to drop by the HOA office during our business hours with any questions you may have. We look forward to meeting all of our homeowners and hope to see you at upcoming community events!

Sincerely,

WENDELL FALLS COMMUNITY ASSOCIATION

Sophia Benedicktus, Community Manager

Donyea Perry, Resident Services Coordinator
